CLUB BACKGROUND

Founded in 1881, Watford are a professional English club currently playing in the npower Championship. The club play their home games at Vicarage Road and possess good training facilities and good youth facilities. The Watford reserve team play at Meadow Park. The club also has good junior coaching and an established youth recruitment network. The club is affectionately known as The Hornets and retains a fierce rivalry with Luton Town.

The club enjoyed probably their best spell of success during the 1980s. Although now enduring a fourteen year barren spell, having not won a competition since 1998, The Hornets still have a history of which they can be justly proud. Watford finished runners-up in the English top division for the only time in 1983, finished runners-up in the FA Cup in 1984, finished runners-up in the English 2nd tier for the only time in 1982, and won the English 3rd tier in 1969 and 1998 and finished runners-up once.
